A NEW ART SHOW FOR CHESAPEAKE!

The Chesapeake Rotary and Chesapeake Fine Arts Commission are excited to be launching a new art show for Chesapeake. We are looking to build on the tremendous success of the Chesapeake Wine Festival to bring an art and cultural event to Chesapeake in the spring.

The event will be featuring over 50 artist booths from around the east coast. We have artists coming in from as far as Connecticut and Florida plus a large representation of local artists!

There will be five food trucks there each day with a variety of food choices. We will also have a selection of five different craft beers and ciders on tap for sale.

And don't forget the performing arts! We will have a variety of local music and performing acts for entertainment. Cam Head and the Noisemakers will be headlining the event and offering emcee duties.

The Chesapeake Rotary and the Chesapeake Fine Arts Commission see the need for more art and cultural events in Chesapeake! All proceeds from the show will go to various arts support programs in Chesapeake and Rotary Coats for Kids.
